Signature of Participant

To All Come and Take It Exhibitors:

The Come and Take It Committee (Committee) would like to express our thanks for being a participant in this year's Come and Take It Celebration. It is through the hard work and dedication of organizations and individuals that make the Come and Take It Celebration such a successful event.

Enclosed you will find with this letter an Assumption and Release of Liability for Firearms (Form). This Form must be filled out by each organization and/or individual that has a vendor booth that chooses to display firearms in their booth. While the Committee has strict rules prohibiting the sale of firearms, knives, or weapons whether functional or toy, the Committee does not restrict vendors from using such items as props and/or decorations for their exhibit.

The Committee is proud of Gonzales' heritage when it comes to firearms and protecting people's rights to possess those firearms, so it felt best not to eliminate the exhibition of firearms for display purposes only, but only to regulate them so as to provide a safe environment for all. This rule comes as a response to the extremely tragic and unwarranted events involving firearms around our nation and the pursuit for a better understanding of firearm safety.

The Committee is asking all exhibitors that will be displaying firearms props and/or decorations to help promote that gun safety. To do so, the Committee asks that all firearms be unloaded and that each exhibitor sign the form. A member of the Committee will check each exhibit for the display of firearms. For those entries that are exhibiting firearms as props and/or decorations, a member of the Come and Take It Committee will ensure that each participant has signed the provided form and that each firearm is unloaded. The Committee does not foresee any issues with this rule as it is for safety reasons, but in the event any individual, organization and/or member of an organization that refuses to sign the Form will force the Committee to deny that individual or organization a booth space.

Once again the Committee is looking forward to a wonderful celebration and thanks you once again for your participation and cooperation.

Sincerely,
Gonzales Come and Take It Committee
